INVITED DRESS REHEARSAL REQUEST FORM

As a participating ensemble in the High School Choir Festival, we would like to invite you and your choir to attend one of the Master Chorale's dress rehearsals at the Walt Disney Concert Hall. This presents your ensemble with the opportunity to hear a professional chorus in the incredible acoustics of the Walt Disney Concert Hall.

PLEASE NOTE: These are working rehearsals of the Los Angeles Master Chorale, and as such guests will only be able to enter and leave the auditorium at permitted times. Guests will not be permitted to wander during the rehearsal and we ask that students exhibit the same behavior as they would while attending a performance. We ask that schools provide at least one adult chaperone for every 15 students attending the rehearsal. More information on parking and instructions will follow closer to the events.

Please see the attached sheet that describes the available rehearsal dates and their respective repertoire. You may request to bring your students to any of the listed dress rehearsals. We will try to honor all first requests, and will base it upon availability, and a first-received /first-served basis. Depending upon availability and the number of choirs that take advantage of this program, your students may be able to attend more than one rehearsal. For instance, half of your ensemble may want to attend one rehearsal and another group may attend a second rehearsal. We ask that all groups attending Master Chorale dress rehearsals be accompanied by adult chaperones. Complete this form and return it to the Master Chorale offices at least three weeks prior to the requested rehearsal. This is to allow us ample time to notify the Music Center staff and musicians of the number of guests that will be in attendance. Please contact the Master Chorale offices with any questions: abrown@lamc.org.
